

# DOWN N DURDY

Inaugural Motorcycle Ride  
In Memory of Andrew (Drew) Jensen  
February 24, 2018

*Our mission: is to provide love, support and financial assistance to the riders and their families when injured in a motorcycle accident.*

We are currently seeking sponsors, donations or raffle items. All the funds raised will be used towards helping injured riders in the state of Arizona. So often after a motorcycle accident, the injured are out of work for an extended amount of time. We provide support financially and with our time and love. For example, we have a board member that is a certified physical therapist and he is currently helping a survivor that reached out for our assistance. We also provided the injured rider with a gift card to help with groceries. The more we raise, the more we can help those in need.

We are holding our first annual ride on February 24<sup>th</sup>, 2018. Raffle tickets will be sold for the donated items (i.e. Baskets, gift cards, coupons). All companies are invited to supply literature, which will be distributed at the ride, such as business cards, marketing materials and/or coupons. Also, for \$50 get your logo and website link on our "Ride 2018" web page. (See link: <http://down-n-durdy.org/ride-2018/>) How would you like some mobile advertising? We are also offering ride sponsorships. We will be selling the t-shirts at the beginning of our ride at Desert Wind Harley and end at What The Hell Bar and Grill in Mesa. \$100 gets your company name on the back of the shirt or \$200 for your company logo/name on the sleeve.

Please help us spread the word and raise awareness about motorcycle safety. We know how catastrophic an accident can be for the riders and their families and if we can provide assistance to help them get back on their feet, then we have accomplished our goal.

We have a full volunteer based board at Down N Durdy and we are very passionate about helping injured Arizona riders. Please join us in this cause.
